

2017 buildingSMART Standards Summit

Barcelona, Spain

Conference Overview

Monday 03-Apr	Tuesday 04-Apr	Wednesday 05-Apr	Thursday 06-Apr	Friday 07-Apr
Standards Summit buildingSMART International & buildingSMART Spain			Spanish industry & bSI Plenary	
Venue: CATEEB			ROCA Gallery	
Fellowship Dinner Venue: França Station		ISO JWG 12 joint meeting Technical Room	ISO WG11 HVAC	ISO WG8 Multimodel container
			Venue: CATEEB	

**2017 buildingSMART Standards Summit
CATEEB, Barcelona
Monday, April 3**

	Technical Focus Rooms				User Focus Rooms			
	<i>Building Room</i>	<i>Infrastructure Room</i>	<i>Technical Room</i>	<i>Product Room</i>	<i>Regulatory Room</i>	<i>Construction Room</i>	<i>Airport Room</i>	
	Registration							
09:00	bSI Technical Committee (invitation only)	bSI Infrastructure Committee (invitation only)	bSI Technical Committee (invitation only)	bSI Product Committee (invitation only)	bSI Regulatory Committee (invitation only)			Session 1
10:00								
	Break & networking							
11:00	bSI Summit Opening Plenary							Session 2
12:00								
13:00	Lunch & networking							
14:00	IFC Strategy plenary							Session 3
15:00								
16:00								
	Break & networking							
17:00	<i>BR1</i> Building Room Opening Plenary	<i>IR1</i> InfraRoom Opening Plenary		<i>PR1</i> Product Room Planning				Session 4
18:00								
19:00	bSI Fellowship Dinner França Station (to be confirmed)							
20:00								

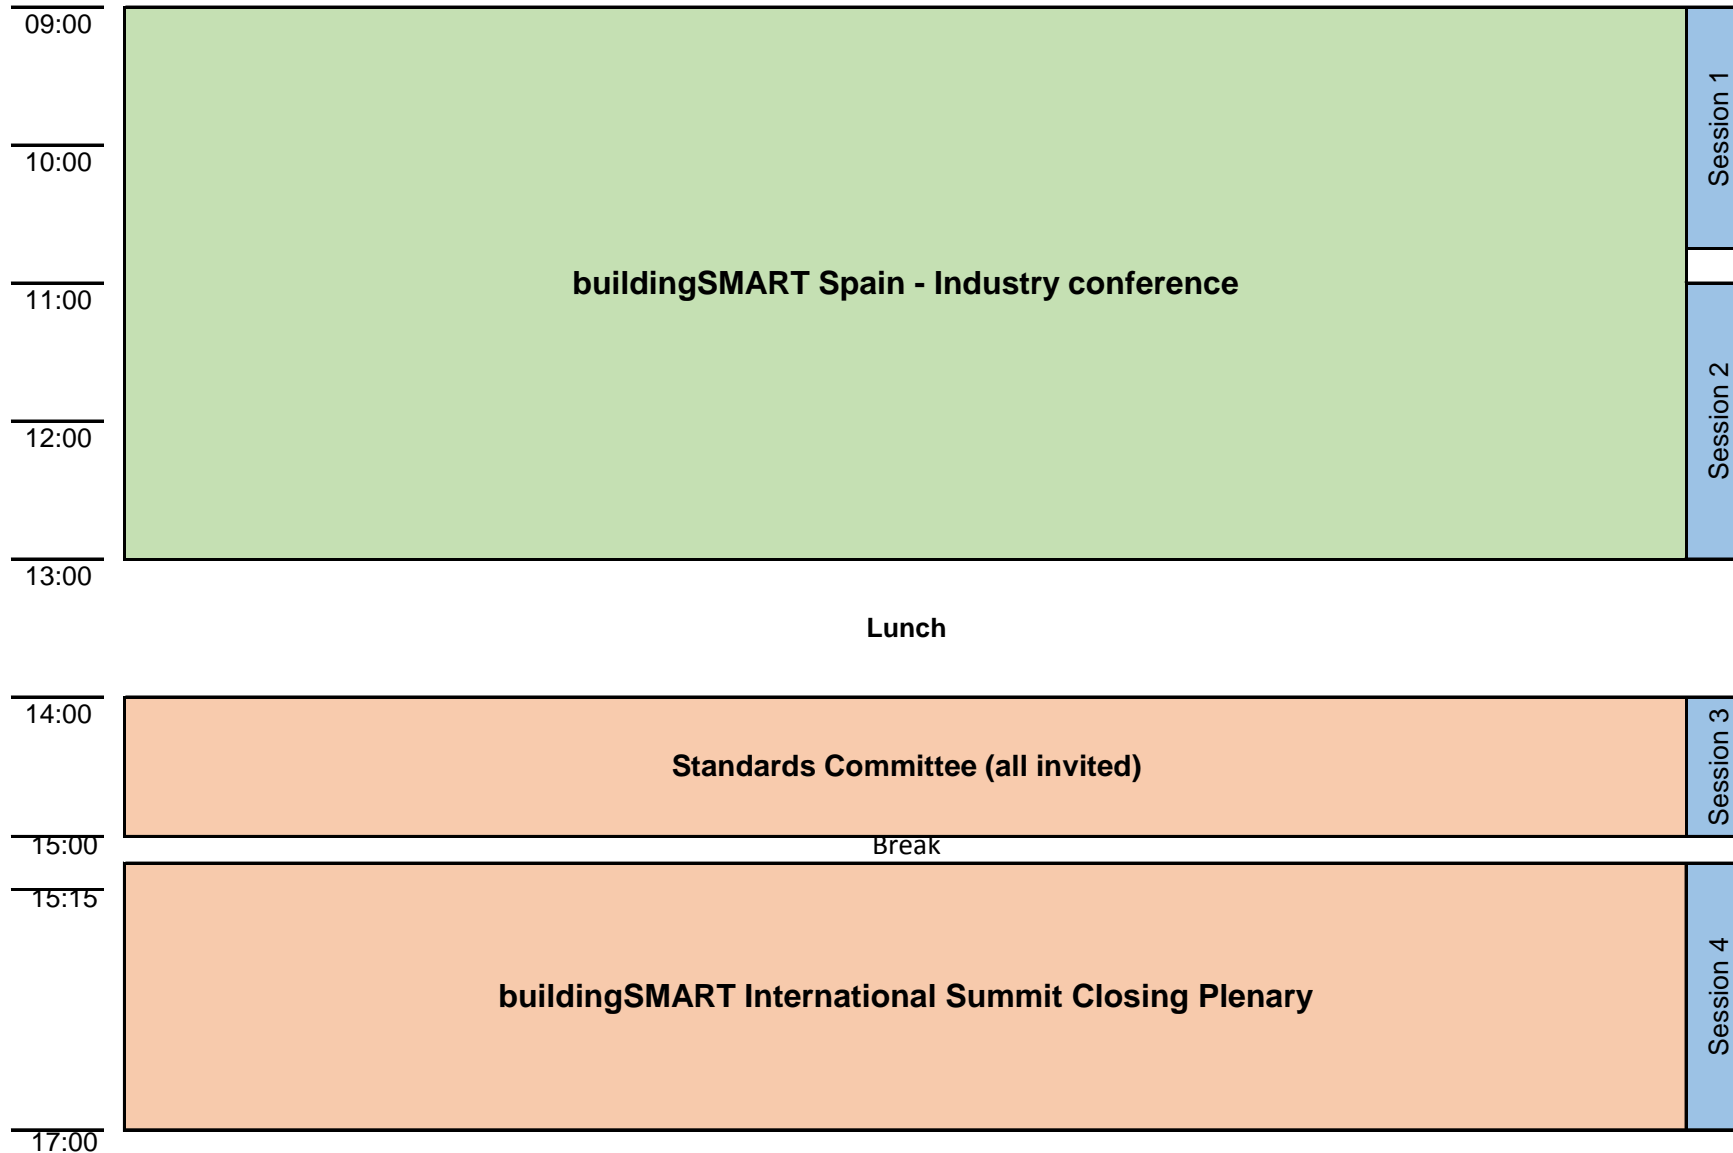

2017 buildingSMART Standards Summit CATEEB, Barcelona Tuesday, April 4

	Technical Focus Rooms				User Focus Rooms				
	<i>Building Room</i>	<i>Infrastructure Room</i>	<i>Technical Room</i>	<i>Product Room</i>	<i>Regulatory Room</i>	<i>Construction Room</i>	<i>Airport Room</i>	<i>bSI General</i>	
09:00	<i>BR2</i> Introduction of bSI Standards to newcomers	<i>IR2</i> IFC Common Schema workshop	<i>TR1</i> Linked Data - IFC Owl / MVD/ Modeling and Linking Guide Presentation	<i>PR2</i> Opening Session		<i>CR1</i> Construction Room update from Japan perspective	<i>AR1</i> Opening plenary		Session 1
10:00	<i>BR3</i> MVD/IDM Model Set-up								
Break									
11:00	<i>BR4</i> Project/Company Case studies	<i>IR3</i> IFC Road workshop		<i>PR3</i> <i>Terminology Tools</i>		<i>CR2</i> Industry presentations	<i>AR2</i> Outline focus & scope	<i>bG1</i> openBIM enabling DfMA & Lean	Session 2
12:00									
13:00	Lunch								
14:00	<i>BR5</i> BCF Case Studies and project use.	<i>IR4</i> IFC Rail workshop		<i>PR4</i> IFC in bSDD, ifc.Doc-bSDD	<i>RR1</i> Regulatory Room BIM & ePermit seminar	<i>CR3</i> Industry presentations	<i>AR3</i> Establishing workgroups	<i>bG2</i> Design Transfer view. Collecting User Requirements	Session 3
15:00	<i>BR6</i> BCF Technical guidance						<i>AR4</i> Airport classifications		
Break									
16:00	<i>BR7</i> COBie to MVD handover <i>(Shared with AR)</i>	<i>IR5 / TR2 / PR5</i> Linked Data, Libraries & Dictionaries <i>(Shared with PR&TR)</i>	<i>IR5 / TR2 / PR5</i> Linked Data, Libraries & Dictionaries <i>(Shared with IR&PR)</i>	<i>IR5 / TR2 / PR5</i> Linked Data, Libraries & Dictionaries <i>(Shared with IR&TR)</i>	<i>RR2</i> Regulatory Room BIM & ePermit seminar	<i>CR4</i> Industry Presentations	<i>AR5</i> COBie to MVD handover <i>(Shared with BR)</i>		Session 4
17:00									
18:00	Break								
19:00	Bus tour of Barcelona courtesy of buildingSMART Spain								
20:00									

2017 buildingSMART Standards Summit
ROCA Gallery, Barcelona
Thursday, April 6

2017 buildingSMART Standards Summit

Barcelona, Spain

Meeting Descriptions

This list gives a brief description of the content of each working session to help you make your attendance selection. If you require more information please contact the relevant named person.

Attendees may wish to contact the people listed below to ascertain whether a particular meeting is relevant for Technical or User disciplines.

Building Room meetings - for further information contact Ricardo Bittini <ricardobittini@ferrovial.co>

- BR1** Introduction to open audience
- BR2** Introduction to bSI Standards to newcomers
- BR3** MVD/IDM Model Set-up
- BR4** Project/Company Case studies
- BR5** BCF Case Studies and project use.
- BR6** BCF Technical guidance and updates
- BR7** COBie to MVD handover. *Joint with Airport Room*
- BR8** System architecture and IFC toolkit
- BR9** Product Data templates (CEN Update), looking for a joint session with Product Room
- BR10** MVD Update (Quantity Take off, Energy Simulation and Scheduling)
- BR11** LOX presentation of how they are used. Working Group LOX working session of development

Infrastructure Room meetings - for further information contact Christophe Castaing <christophe.castaing@egis.fr>

- IR1** Infra Room Opening Plenary meeting: opening address, presentation of 2016 results and MOU signing IFC Common Schema, IFC Road and IFC Rail
- IR2** IFC Common Schema: workshop in which the room will start the first inventory of common definitions
- IR3** IFC Road: workshop intended to jump start the development (format and topics tbd by Project Team)
- IR4** IFC Rail: workshop intended to jump start the development, including cooperation with RailTopo
- IR5** Linked Data, Libraries & Dictionaries *Joint with Product Room & Technical Room*
- IR6** IFC Bridge
- IR7** Live demonstrations by software vendors and Deployment teams in which the IFC Alignment standard the produced IFC files will be shared amongst varying applications
- IR8** Working group meetings
- IR9** Infra Room Closing Plenary meeting in which the Room approves the spring 2017 InfraRoom Resolutions

Technical Room meetings - for further information contact Greg Schleusner <greg.schleusner@hok.com>

- TR1** Linked Data - IFC Owl / MVD/ Modeling and Linking Guide Presentation
- TR2** Linked Data, Libraries & Dictionaries *Joint with Infrastructure Room & Product Room*
- TR3** ISO / bSI joint meeting. ISO 16739-1 publication of Addition 1
- TR4** Linked Data, ifc.Doc-bSDD *Joint with Product Room*
ISO / bSI joint meeting. ISO 16739-1 publication of Addition 1

Product Room meetings - for further information contact Roger Grant <rgrant@nibs.org>

- PR1** Planning/Opening Plenary - Working session to prepare for meetings/Review active projects in Room and by Member and Regional Organizations
- PR2** Opening Plenary - Review active projects in Room and by Member and Regional Organizations
- PR3** Using terminology tools - the buildingSMART Data Dictionary Browser and API, new use Guidelines review and quality control procedures
- PR4** P4 Project Review - IFC in bSDD and integration of IFC.doc and bSDD review and discussion of status and needs to meet requirements
- PR5** Linked Data, Libraries & Dictionaries *Joint with Infrastructure Room & Technical Room*
- PR6** Product Data Templates WG Status and Working Session
- PR7** Product Data Templates Requirements and Approach *Joint Session with Building Room*
- PR8** Discussion of uses of IFC/IDM-MVD/bSDD/Linked Data together, use on projects and support required. *Joint Session with Technical Room*
- PR9** Continuing discussions on how to integrate and deploy bSDD within bSI and to end users. *Joint Session with bSDD Task Team*
- PR10** Closing session to address technical and implementation issues and closing plenary of Product Room

Regulatory Room meetings - for further information contact Øivind Rooth <oivind.rooth@dibk.no>

- [RR1](#) Regulatory Room BIM & ePermit seminar
- [RR2](#) Regulatory Room BIM & ePermit seminar
- [RR3](#) Automated Code Checking working group
- [RR4](#) Automated Code Checking working group
- [RR5](#) e-submission working group
- [RR6](#) Regulatory Room closing session and next step planning

bSI General meetings - for further information contact Richard Kelly <richard.kelly@buildingsmart.org>

- [bG1](#) openBIM enabling DfMA / Lean Construction / Integrated Project Management / Asset Management
- [bG2](#) Design Transfer View. Determining User requirements. RS / BF / ARUP
- [bG3](#) International User Group meeting
- [bG4](#) Professional Certification Program. Individual qualification

Construction Room meetings - for further information contact Ken Endo<endouk@kajima.com>

- [CR1](#) Opening session and introduction to the aims of the Construction Room
- [CR2](#) Industry presentations - presenters to be confirmed
- [CR3](#) Industry presentations - presenters to be confirmed
- [CR4](#) Industry presentations - presenters to be confirmed
- [CR5](#) Industry presentations - presenters to be confirmed
- [CR6](#) Industry presentations - presenters to be confirmed
- [CR7](#) Industry presentations - presenters to be confirmed
- [CR8](#) Closing summary for the Room and identification of next steps

Airport Room - for further information contact Yannick Vos , Alex Worp, Rob Roef, <airport@buildingsmart.org>

- [AR1](#) Airport Room Opening Plenary. Welcome & introduction
- [AR2](#) Outline focus / scope of the Airport Room. Input from interested parties required
- [AR3](#) Establishing workgroups / teams / how / what / who
- [AR4](#) Airport specific classification
- [AR5](#) COBie to MVD handover. *Joint with Building Room*
- [AR6](#) Governance
- [AR7](#) Closing session and action summary

Plenaries

Monday **buildingSMART International Summit Opening Plenary**

Details to follow
Welcome from bS Spain
bSI CEO introduction
Deutsche Bahn & SNCF & OB SB - a client's view
Lafarge Holcim - a product supplier's view

IFC Strategy plenary

How the overall IFC strategy is responding to demands *T Liebich*
An update from the Implementation Support Group (ISG) *J Ouellette*
"Understanding IFC" survey results summary *R Kelly*
Update from the International User Group *KI Bakkmoen*

Thursday **buildingSMART Spain Industry Conference**

Details to follow

Standards Committee

An update and discussion of the activities in the Standards Program

buildingSMART International Summit Closing Plenary
